INVITATION

Dear Colleagues,

It is a great pleasure to invite you to participate at the 2-day long “III International Baku Breast Cancer Congress” and “Azerbaijani Regional Congress of the International Senological Society” that will be held on 29-30 November 2024 in Baku, Azerbaijan.

The main goal of the Congress is to strengthen cooperation in the field of oncology between specialists of different countries, to promote the application of modern diagnostic and therapeutic procedures in cancer care. The Congress serves to initiate collaborative projects aimed at finding the most optimal and suitable solutions for the future, expanding scientific research, strengthening oncological services and improving the quality of cancer care by embracing the recent advancements in the modern cancer care.

The congress will feature symposia, pre-conference courses, e-poster sessions and other events on various topics related to breast diseases, breast cancer and women's & reproductive health.

Hence this Congress will provide a unique platform for sharing knowledge and experience, as well as to support the expansion of scientific research.

We will follow up with more details in the coming few weeks but for now please do not hesitate to visit the Congress web site at www.breastdiseases.az to have a glimpse at the agenda and list of keynote speakers and honorable guests.

Sincerely,
Assoc. Prof. Dr. Nigar Mehdiyeva
Chair Organizing Committee of the
Congress

Sincerely,
Assoc. Prof. Dr. Hagigat Valiyeva
Chair Scientific Committee of the
Congress

Sincerely,
Prof. Dr. Vahit Ozmen
